47							
48	(D) Protection of Primer. Except for construction equipment directly						
49	connected with paving operations, keep traffic off primed surface.						
50							
51	Protect primer from damage until HMA or concrete layer is placed.						
52	Repair primer damage at no increase in contract price or contract time.						
53							
54	420.04 Measurement. The Engineer will not measure primer for untreated						
55	permeable base course for payment.						
56							
57	<b>420.05</b> Payment. The Engineer will not pay for primer for untreated permeable						
58	base course separately and will consider the cost for primer for untreated permeable						
59	base course as included in the contract price for the untreated permeable base						
60	course pay item. The cost is for the work prescribed in this section and the contract						
61	documents.						
62
